We may also do this for particular activities even if you have started to participate. Also, we or third parties might make a mistake and we reserve the right to correct anything, including but not limited to Content or assistance on the Grant Site. For example, we may correct, change, withdraw or do anything else with a grant description even if you have already taken action based on it.
- 15. No Commissions.** We do not want to deal with persons or entities desiring to be paid for something unless we intentionally enter into an express contract to do so. For example, if you submit an application for someone else without entering into such a contract with us, we will not pay you (or anyone else) a commission or other amount even if we accept the application or make the respective grant, etc. We may also use, delete, or ignore any information provided by you, without paying you anything and without undertaking any duties to you or anyone else. If you do not desire this outcome, then do not submit any information without entering into a written contract with us first.

- 17. Termination.** We reserve the right to terminate or suspend your access to the Grant Site, or any part of it, at any time without notice for any reason, even if you elect to store documents or other information or materials on

the Grant Site (e.g., the draft of a grant application). Accordingly, please make your own copies of any information or materials to which you may want to ensure access. The license granted by you to us under this agreement, and the limitation of liability and indemnity sections of these Grant Terms will survive any termination.

- 23. Release and Indemnity.** You hereby agree to release and waive all claims and/or liability against Therapoid and our affiliates, arising from or in connection with your use of the Grant Site. You also agree to indemnify and hold harmless Therapoid and our affiliates, from and against all third-party claims, demands, fines, penalties, damages, liabilities, costs, fees, expenses or amounts of any kind or nature whatsoever, including, without limitation, attorneys' fees, arising or resulting from or in connection with your use of the Grant Site or failure to abide by any applicable law.
